

Executive Leadership Series

Best Practices in Management

Toronto | Ottawa | Halifax

Delivered in select locations across Canada by top experts in their fields, this series of executive leadership courses will integrate best practices and cutting edge research across all sectors to provide leaders with the skills and know-how to achieve stellar organizational performance in today's complex socio-economic environment. Each course will be delivered by award winning faculty members.

Winter/Spring 2011 Course Offerings:

Value Creation: Mentoring for Sustainability – Dr. Mary Donohue

Managing through Complexity – Dr. Richard Nason

Using Social Media to Leverage Corporate Intelligence and Tacit Knowledge – Sandra Toze and Dr. Louise Spiteri

Creating Value Added Employees: Managing for Strategic Advantage – Dr. Carolan McLarney

Creating Value by Leading Responsibly - Dr. James Barker

Lunch and Learn Sessions

Sample our course offering over lunch with the course presenter(s). Receive an in-depth overview of the content offered by the executive leadership course and decide if you can benefit from a more intensive study of the subject. We will kick off our series with a lunch and learn session introducing:
